Oboe

In lieu of purchasing an instrument, we strongly recommend that the students playing oboe take private lessons. Individual attention to help the students become familiar with the instrument is priceless. C.D. Fulkes offers a quality private lesson program where the students may take lessons during their band class or after school once a week as time permits. Lessons should run around $16.00 per week for one half hour. If you decide to pursue this, you will receive information about it in the Band Handbook that your student will receive the first week of school.

Each beginning band students will need to obtain the following supplies by the second day of school:

1. Sound Innovations for Concert Band – Book 1 for Oboe
2. Metronome: we recommend "pocket size that will subdivide the rhythms– Seiko DM-11, Sabine MT9000, Korg TM50
3. Folding music stand: for home practice. Some music stores include this in rental
4. 3 reeds from to be purchased for the CD band office
5. "3 reed" reed guard
6. Cleaning swab: silk only
7. Cork grease
8. Name tag for instrument
9. 1 inch black binder: with 10 clear page protectors, pencil pouch, pencils, and a highlighter
10. Smart Music subscription – not required but encouraged
